Gutter Topper

Technical Information Sheet #101

To Whom It May Concern:

Applying Gutter Topper by Gutter Topper Ltd. will not void or reduce CertainTeed's Asphalt Shingle Warranty when installed underneath the second row of CertainTeed's Asphalt Fiberglass Shingles. The shingles also require resealing.

CertainTeed Limited Asphalt Shingle Warranty covers against manufacturing defects in shingles only.

CertainTeed shall not have any liability or responsibility under the warranty for a) Defects or damage caused by materials used as a roofing base over which the shingles are applied. b) Damage to the shingles caused by settlement, distortion, deterioration, failure or cracking of the roof deck, or c) Defects or failure caused by application of the shingles not in adherence with the written instructions of CertainTeed. Furthermore, fastening and installation requirements for the roof deck, acceptability of insulation and determination of need for vapor retarders are the responsibility of the deck manufacturer and the deck system designer.

Sincerely,

Technical Services Department Roofing Products Group
